## A SLICE OF HISTORY, SAVED

**We did it!...** Welcome to this special edition of The Booster, dedicated to the unveiling of the Log Cabin at Bradley Museum, taking place this Saturday, December 15 at 1 p.m. It's been a long and sometimes difficult journey for the amazing group of

volunteers who sacrificed so much of their time and effort in pursuit of this noble cause—now all the hard work has paid off! Visit [www.museumsofmississauga.com](http://www.museumsofmississauga.com) or call 905-615-4860 for more information about this inspiring story.
